It's Swiss Family Roethlisberger as Ben goes abroad

Monday, May 8, 2006

Ben Roethlisberger is in Switzerland with his family, parents Ken and Brenda to explore his Swiss roots. Roethlisberger, whose family is of Swiss decent as spending a week there learning more about their family history.

After arriving, the Roethlisberger family spent their first day touring Luzern, w/ covered bridges and other breathtaking scenery.

Roethlisberger also stopped to talk to the Swiss media as well as greet some

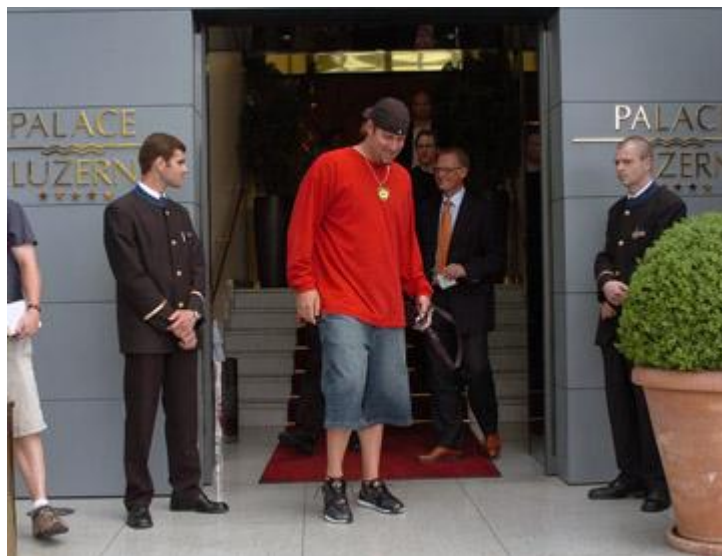

Steelers photographer Mike Fabus is with the Roethlisberger Family and is pr Steelers.com with a daily photo essay this week.

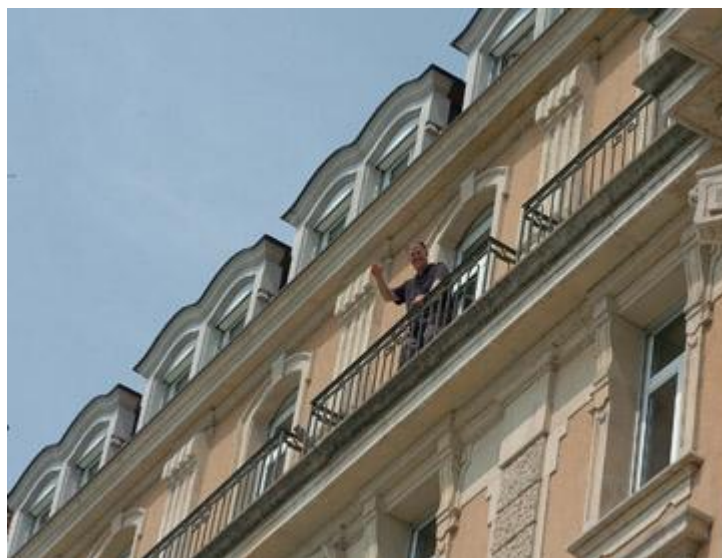

Steelers.com will be bringing you complete coverage of his trip and Steelers Members will be able to watch video of the trip.
